## TOUR DETAILS

1. Aoyama University Annual Gasshuku takes place annually on 2<sup>nd</sup> week of September at various centres throughout Japan. It is attended by the current students of Aoyama Gakuin University, Tokyo and past students (Old Boys).
2. Junior members are welcome, however they must be accompanied by an adult (preferably parent) whose responsibility is to take care of the student. Attendees must be rank of black belt.
3. All Australian attendees will fly on same flight and then transported to Fuji Hakone Land complex where we are booked to stay approx. 2 hours south of Tokyo where the Gasshuku will take place. <http://fujihakoneland.or.jp> is the Japanese website (click on translate for English version).
4. Given the distance from Tokyo, all attendees must stay together for entire duration of Gasshuku – no latecomers or early leavers.
5. Tour price is \$3,000 per person. Price will include training fees, airfares, transfers, meals, accommodation, team shirt. You will be required to pay for some meals on our return to Tokyo during your free time.
6. If you wish to extend your stay and tour Japan after return to Tokyo after the Gasshuku, individual arrangements may be made with Bundaberg Travel for you. The rest of the group will return to Australia together, then return to individual centres Australia-wide.
7. Hotel accommodation will be arranged for all members of the tour group in both Tokyo and Fuji Hakone. There is no homestay available for juniors on this trip.
8. \$500 non-refundable deposit is required to secure your place on this tour. The deposit is also required for non-training partners/spouses who may be attending as well. Please pay this deposit before 31st January 2017 to secure your place. Names of those not paid by that date may not be included in the group booking.
9. A team shirt will be provided for all attendees to wear when travelling. In the past it has been most beneficial when going through customs as a group & is a great memento.
10. Note that the Aoyama Training Seminar is traditionally very vigorous. It is important that attendees are fit and healthy to endure the heat and training schedule. If you have injuries, please consider carefully if your body will handle this seminar.
11. Please check that your passport is not due for renewal within 6 months of departure date. Please include a copy of your passport with this return form.
