

TSKFA NEWS

Volume 7, Issue 6

19th November, 2016

Oss Everyone,

This year has flown past and it is almost December already. Just a few items to keep you updated.

Nationals 2017 Runaway Bay Gold Coast 13 – 18 March, 2017

After the Christmas break the Nationals will be upon us very quickly. Please remember Club photos and judge and table official names are due by 5th February, 2017 to make the magazine deadlines. All nominations for competitors and seminar attendees and also Judging and Instructor Exams are **due by February 25th**. The spreadsheet for nominations will be distributed in the New Year. If any senior people are still seeking accommodation, we have 2 x 2 bedroom units still available in the Organizer's Hotel (Beaconlea @ \$140 per night). Please contact Deb or myself if you are interested – first in first served.

Grading Fees

A reminder to pass on your \$10 per student to TSKFA and separately \$10 per student to your State Association as soon as possible after the grading.

Memberships

A reminder that pro rata memberships for first time new members commenced in October, then fees change again in January. All people who participate in a grading should be financial members well before any grading.

Aoyama Gasshuku 2017

We will be taking a group to Japan departing on Saturday 9th September for Tokyo to attend the Aoyama Gasshuku 2017 and held in the hills of Mt Fuji area. The group will arrive back home on Wednesday 20th September. Please budget approx. \$3,000 per person for costs for the trip. Numbers are limited and we will require non refundable deposits to secure group airfares by end of January. Please remember that this is a very strenuous training seminar, and people who are unfit and carrying any injuries will struggle. A prerequisite is that any juniors who attend must have a parent in attendance as well, and they must be rank of black belt. An expression of interest form is included with this newsletter.

ISKF Masters Camp 2017

I have yet to receive the official info package for the 2017 Masters Camp in Philadelphia, however we tentatively plan to depart Thursday June 8th and arrive back in Australia Sunday 18th June. Any senior personnel wishing to attend the camp next year should let me know asap of your intentions so I can be looking into group airfares. Cost for airfares and camp fees etc. usually works out approx. \$3,000 per attendee.

Any queries regarding any of the above, please contact me on 1300 765 521 or 0427 696 541.

Yours in Karate,

John Russo

Chairman
